

Grimes Funtastic Days JUNE 11-12-13, 2009

Vendor/Booth Application

This is a special first mailing to all of our vendors from last year, giving you the earliest opportunity to re-apply for booth space as our way of saying Thank You. To guarantee booth space before a mailing is sent to new vendors, applications must be received by Feb. 15, 2009 upon which time booths will be assigned to vendors per committee approval. Final application deadline is May 12, 2009.

Fees will only be returned upon cancellation of the event.

Make checks payable to : Grimes Chamber & Economic Development

Booth assignments: A map of the area and the space numbers will be provided. I will try to keep the layout up to date on the web site. Before filling out your application check the web site for what is available. <http://www.scrollsaws.com/FuntasticDay.htm> I will have listed who is in what space so you can pick the neighboring booth type you want to be with. As soon as I receive your application I will assign you a booth, it will be updated on the web site immediately, but a letter will be mailed back to you confirming your application and a map of your booth assignment. If you desire you can contact me to move to another location.

Check-In: I will be at the park Thursday at noon. Check in to make sure you are setting up in the right place, if you are not in your assigned space you will be moving again before you can open your booth. If you plan to set up before noon contact me and I will be there to check you in.

Electric: Notice the electric is one 15 amp outlet, that means one extension cord. One cord with a power strip in the booth will not increase your power, it is still limited to 15 amps. Something like 2 of the large roasters would be max for that service. Check with someone about your electric needs to be sure you can get by on the service or purchase additional outlets.

If you plan to run your booth with your own generator, plan on being in site 42 -50 where the noise will not bother other booths and activities.

Water: Water is very limited in the park. You will need to furnish garden hose to your booth from the main source. The map will show where those sources are located.

Special note: No booths are allowed to sell cotton candy, corn dogs, or funnel cakes, the carnival concession has exclusive to those items.
